## **FOUR YEAR UNDERGRADUATE PROGRAMME (NEP) , POLITICAL SCIENCE COURSE OUTCOME**

NEP provides for large scale reforms in higher education, aiming to bring in more flexibility, shifting the focus from exam-centric to holistic and experiential, clearcut provision of entry/exit options, key synchronization of vocational subjects and portability of academic credits. Thus, the policy promotes a seamless education system with no rigid distinctions between arts and sciences, curricular and extracurricular activities and vocational and academic streams.

### **SEMESTER : 1<sup>ST</sup> SEMESTER**

#### **COURSE NAME : POL O1-O1 : Introduction to Political Theory (Core)**

This course aims to introduce the students to the idea of political theory, its history and approaches, and an assessment of its critical and contemporary trends. It is also designed to introduce the basic concepts of political theory. After completing the course, students will be better equipped to understand the key concepts in political theory and various related conceptual categories. It will also help in developing critical thinking regarding the functioning of the political system in relation to the context the students are situated in.

#### **COURSE NAME : Skill course ( Panchayati Raj and Practice)**

This course will help students to understand the importance of grass root political institutions in empowering people. It also acquaints students with the Panchayati Raj Institutions and their actual working. It further encourages a study of Panchayati RAJ institutions in their mutual interaction and their interaction with the people.
